Allowable Subject Matter

1. Claims 2 through 11, and 13 through 22 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: The prior art of record does not disclose detecting if a user has changed to a new screen other than that of the route guidance mode; determining whether the user has reached the destination; and displaying a route guidance screen within the new screen when the user has not reached the destination. The prior art discloses displaying both route data and other data, but not based on whether user has reached the destination it is manually selected by the user.
